New PTT Reference Ranges (Intervals) at QEH

March 28, 2022

This information applies to: Island Physicians, Nurse Practitioners and Nurse Educators

Effective immediately, the reference range (adult) for the PTT performed at the QEH will be changing slightly.

| TEST | OLD REFERENCE RANGE | NEW REFERENCE RANGE |
|------|---------------------|---------------------|
| PTT | 29.2 – 42.4 seconds | 27.2 – 39.0 seconds |

When reviewing your coagulation test results, please note the new reference ranges that are provided with each test.
