

ACCREDITATION

Health PEI (HPEI) participates in Accreditation Canada's Qmentum Global Program, which enables the organization to **assess its programs and services against national, evidence-based standards**.

HPEI was last **accredited in June 2022** following an onsite assessment conducted by external surveyors. The assessment recognized numerous organizational strengths and identified opportunities for improvement. HPEI will maintain its accredited status until the next onsite survey in June 2026.

HOW OFTEN DOES ACCREDITATION OCCUR? WHY IS IT IMPORTANT?

Accreditation Canada's Qmentum Global Program is a four-year continuous cycle. HPEI's next onsite survey is scheduled for **June 7-12, 2026**.
