URGENT NOTIFICATION

**CHANGES TAKING PLACE IN PRODUCTION
FEB 15TH - 26TH**

In anticipation of the upcoming Mental Health and Addictions ED Go-live on February 27th, 2024, the CIS team will be doing some preliminary build and testing in the live Production environment. As a result of this you may see some new or changed content applicable to this implementation.

A testing event taking place on February 21st will involve CIS having test patients in the live system, entering orders and resulting tests for the new ED location.

Additional Go - Live information will be distributed next week.
