CIS SYSTEM MAINTENANCE

WEDNESDAY AUGUST 24

0100-0700HRS

Please be aware that on August 24 from 0100 to 0700hrs, the CIS will be experiencing system maintenance. From approximately 0100 until 0400, all reporting functionality within the CIS will be unavailable. All other functions within the CIS will not be affected. You may also experience some slowness towards the middle part of the maintenance window.

If you experience any issues, please contact the Service Centre at 3600.
