

## ATTENTION: ALL FACILITIES

## CIS SCHEDULED DOWNTIME

**FEBRUARY 26, 2017**

**0030 - 0530 HRS**

**There will be a scheduled downtime occurring in the Clinical Information System (CIS) on Sunday February 26th from 0030 - 0530 Hrs. This downtime will affect ALL CIS Solutions and ALL hospitals. Please do not log into the CIS until you have received notification that the system is back up. Access to patient charts during the downtime will be from 724 Downtime Computers.**

**Refer to your downtime procedure manuals and follow appropriate downtime processes.**

**Further Information:**

Bulletins are available for viewing at: <http://iis.peigov/cis>

If you have questions please contact ITSS Service Centre:

Phone 3600 in Charlottetown, (6)-3600 outside Charlottetown;
