

MONTHLY BULLETIN

ATTENTION: ALL FACILITIES

**UPDATES OCCURRING WITHIN THE CIS THE
WEEK OF - MARCH 27, 2017**

The following solution areas have updates:

PowerChart - Page 2

FirstNet - Page 2

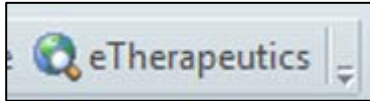

Lab - Page 3

UPCOMING EVENTS

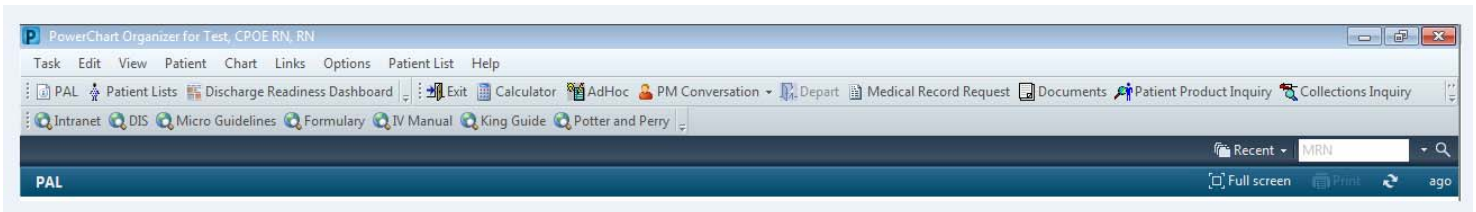

There are no upcoming events in CIS.

Powerchart Updates:

Addition of a new Internet link: The eTherapeutics link will replace the paper CPS.

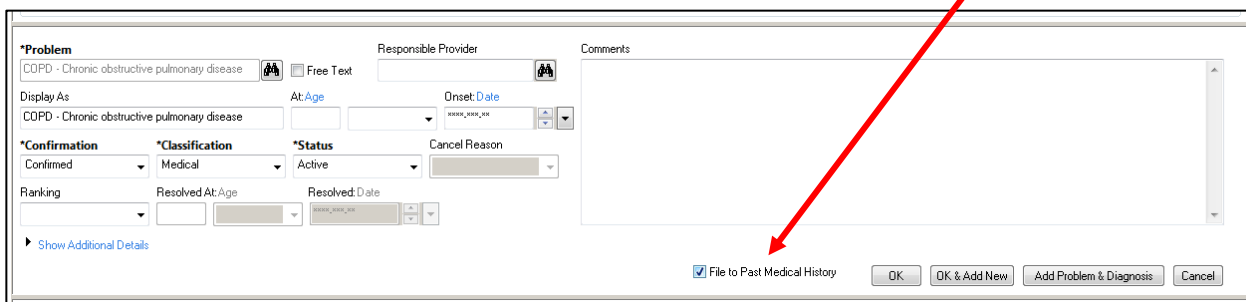

Revised Display of Internet Links:

FirstNet update:

File to Past Medical History: When adding problems, checking the box "File to Past Medical History" will push an active problem to the Past Medical History avoiding the need to enter it at a later time.

Lab update:

Section Display Changes: The following name changes in PowerChart -

- Immunology Send-outs section is now renamed Immunology Referred Procedures
- Immunology Referred Procedures will now fall under Allergy Testing in the Immunology Section

Quick View 2017-Mar-09 09:05

Immunology	
<input type="checkbox"/> CRP	* H 7.0 mg/L
Serum Proteins and Electrophoresis	
Immunology Urine Comment	Immunology Urine Comment
ANA & Vasculitis	
<input type="checkbox"/> MPO	<3.5 IU/mL
<input type="checkbox"/> PR3	<2.0 IU/mL
Vasculitis Comment	Vasculitis Comment
Vasculitis Interpretation	* See Interp.
Allergy Testing	
<input type="checkbox"/> Egg	<0.35 kUA/L
Allergen Interpretation	* See Comment
Hematology Miscellaneous	
<input type="checkbox"/> Bleeding Time	4.0 minute(s)
Coagulation	
<input type="checkbox"/> PT	L 10.0 sec(s)
<input type="checkbox"/> INR	1.0
Special Chemistries	
Aluminum	See Report
Immunology Sendouts	
CH50	Document Image
