Nursing/Allied Health - New Tab on Handoff Page

Resus Order Details

The screenshot displays the 'Resus Order Details' page in PowerChart. The top navigation bar includes tabs for 'Handoff', 'Assessments', 'Consults', 'Downtime', 'Shift Summary', and 'Resus Order Details'. The 'Resus Order Details' tab is active. Below the tabs, there is a table with columns for 'Order', 'Order start', and 'Status'. One order is listed with the status 'Active Orders'. A callout box points to this tab, stating 'Identifies the order details and who placed it and the order status'. To the right, the 'Resuscitation Status' section shows a 'New Order' for 'NO BLOOD PRODUCTS' with a start date of '2018-Oct-16 09:46'. A callout box points to this section, stating 'Default view of the order within the last 7 days'.

New Order for NO BLOOD PRODUCTS - Will post to Hand Off as a Communication order and on the Orders page under Admit/Transfer/Discharge clinical category.

Note: This will not cross encounters

The screenshot shows the 'Orders' page in PowerChart. The 'Admit/Transfer/Discharge' tab is selected. A table lists orders, with one highlighted as 'NO BLOOD PRODUCTS' with a status of 'Ordered' and a start date of '2018-Oct-19 07:50'. Below this table, there is a section titled 'Communication Orders (1)'. This section shows the same order as a communication order with a status of 'Ordered' and a start date of '19/10/18 07:50'.
