CIS SYSTEM MAINTENANCE

MONDAY MARCH 8TH

1700-1800HRS

Please be aware that on March 8th from 1700 to 1800, the CIS will be experiencing system maintenance requiring an outage that will affect scanning new images (Labs) and access to existing images (PowerChart). All other functions within CIS will not be affected.

If you experience any issues, please contact the Service Centre at 3600.
