PLANNED DOWNTIME

MONDAY JANUARY 18

STARTING AT 0200

Please be advised that the Clinical Information System will be going into a planned downtime on January 18th starting at 0200 until approximately 0300. This downtime is required to complete system maintenance.

During the downtime, access to patient charts will be from the 724 Downtime Computers only. Please refer to your Downtime Procedure manual to prepare for this event.

We apologize for the inconvenience this may cause and thank you in advance for your cooperation and patience.
