PLANNED DOWNTIME

FRIDAY JANUARY 21

STARTING AT 0100

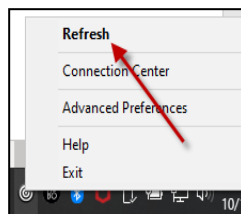

Please be advised that the Clinical Information System will be going into a planned downtime on Friday January 21st starting at 0100 until approximately 0500. This downtime is required to complete system maintenance.

During the downtime, access to patient charts will be from 724 Read-Only PowerChart as well as 724 Downtime Computers. 724 Read-Only PowerChart will be available from any computer that has access to PowerChart. The shortcut will appear in Cerner Apps on the desktop.

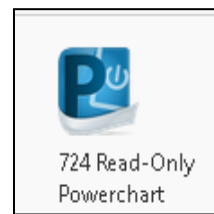

If you don't see the shortcut, right-click the Citrix icon on the desktop, and choose Refresh.

Right-Click here

Choose Refresh

Shortcut should appear in Cerner Apps

Please refer to your Downtime Procedure manual to prepare for this event.

We apologize for the inconvenience this may cause and thank you in advance for your cooperation and patience.
