

ATTENTION: QEH & PCH ONLY
SHIFT SUMMARY

For QEH: This is a pilot project for Units 5 & 7
Clinical Educators/Clinical Leads will be providing education.

For PCH: Revision to the Shift Summary Form

The top portion of the form will continue to function as usual.

The bottom part of the form:

Patient Care Follow-Up and Ongoing Care will default from the last charted value.

Patient Care Follow-up: Aspects of patient care you want the next shift to FOLLOW-UP on.

<p>Medication(s) Follow up Details</p> <input type="text"/>	<p>Diagnostic Procedures/Treatments</p> <input type="text" value="CT Monday January 16th NPO midnight January 15th"/>
<p>Blood Sugar Follow up Details</p> <input type="text"/>	<p>Appointment Follow up Details</p> <input type="text"/>
<p>Blood Products Follow up Details</p> <input type="text"/>	<p>Family Conference Follow up Details</p> <input type="text" value="Scheduled for Wednesday January 25th, family aware."/>
<p>Lab Results to Review/Pending Tests</p> <input type="text"/>	<p>Other Follow up Details</p> <input type="text"/>
<p>Ongoing Care</p> <p>Segue UI 9 <input type="text" value="January 4th. Patient needs to have CPM applied at 15 degrees 4 times per shift."/></p>	

For QEH Physicians on Units 5 & 7

Information from the Shift Summary form will be available on the Results Review tab as well as on the Physician's Patient Summary tab.
