ORDER SET UPDATE WITHIN CIS

OCCURRING ON APRIL 8, 2020

The following order set has been created to support clinicians as they manage COVID-19 in acute care:

- **PEDS COVID - 19 Admit (QEH & PCH)**

Due to the ever-evolving nature of the treatment of COVID-19, the requirements of these order sets to aid practice may have to be adjusted. If you have a comment, question or suggestion for change, please email Kelly MacDonald at kkmacdonald@ihis.org and she will follow-up on the request.
