There are no upcoming events in CIS.

Privacy Matters Corner...

-  Don't forget to log in and out of your computer!
-  Be aware of your environment when sharing Information!
-  Remember, if you provide enough details, people can be identified even without providing their name. Be mindful of patient's privacy!
-  Protecting the privacy of personal information is everyone's responsibility!

Order Set Update:

Updated! COVID-19 ICU Admit Order Set

New! Dexamethasone Suppression Test Order Set

PowerChart Update:

Reminder: When documenting a new Admission History, you have to open on the Immunization History section for the immunizations to update the immunization tab on the handoff. If you don't, that section, the immunization information won't pull forward. After you open the Immunization tab, the heading will become bolded on the Navigation bar.

Not bolded - no info will pull forward

Bolded - Info will pull forward
