

Privacy Matters

Q: What is the Health PEI Access to Information and Privacy (ATIP) team?

A: Currently, the team is comprised of 2 ATIP Consultants, Sherri Maye & Crystal Llewellyn and the Director of Privacy & Information Management, Jeanne MacDougall.

Q: What do they do?

A: The ATIP team can support you with a lot of things including providing leadership, guidance, and management in the areas of access to information, privacy, and confidentiality across all Health PEI services. Some examples of what the ATIP team can help with include: privacy assessments, training & education, breach management support, audits of access, and corrections of personal health information just to name a few.

Q: How can I contact the ATIP team or access more information?

A: The team has created a webpage on the Staff Resource Centre with a number of great resources that are available to everyone <https://src.healthpei.ca/access-information-and-privacy> or you can contact the team at healthprivacy@ihis.org or 902-569-7734.
