

Discharge Summary Tab

This is also an example of a MPage. The status of discharge planning can be viewed here. The multidisciplinary team can add pertinent discharge information through this tab.

The screenshot displays a medical software interface with the following components:

- Sidebar Menu:** Includes options like Hand Off, Discharge Summary (highlighted in red), Orders, Task List, MAR, MAR Summary, Med List, I & O / iView, Results Review, Pending Referred Out Lab Tests, Assessments, Overview, Review Chart, and Documents.
- Header:** Shows the current page as "Discharge Summary" with navigation icons and a "Full screen" button.
- Main Content Area:**
 - Discharge Orders Placed (Phys) (0):** A section for managing discharge orders.
 - Medication Reconciliation (Phys) (0):** A section for reviewing and reconciling medications.
 - Diagnoses (NEW):** A section for adding and managing diagnoses. It includes a "Classification: All" dropdown, an "Add new as: Diagnoses: This Visit" button, and a search input field.
- Patient Information Panel:** A table providing key patient data:
