Navigation/Menu Bar

The Navigation/Menu Bar has a list of tabs that organize information on the chart.

The order and availability of the tabs is dependent on the clinician's position.

There is the ability to expand or minimize the Menu with the Tac icon.

If minimized, you can hover over the icon on the left hand side of the screen and the menu will expand.

z	Menu +	
enu	: Hand Off	
	Discharge Summary	
	Orders 🕂 Add	
	Task List	
	MAR	
	MAR Summary	
	Med List 🕂 Add	
	1&0	
	Results Review	
	Assessments	
	Overview	
	Review Chart	
	Documents	
	Form Browser	
	Allergies 🕂 Add	
	Patient Info	
	Histories	
	Problems and Diagnoses	
	Transfusion Summary Report	
	Patient Schedule	
	Reference Text Browser	

You can tack it in place by clicking on the .

	Menu	
	Hand Off	- 11
	Discharge Summ	ary
l	Orders	🕂 Add
	Task List	ears (

Now the MENU will stay in place, and the Menu has changed color.
