Requesting and Completing Events

There are two ways to request or complete an event.

To request or complete an event from **Request Event**:

1. Right click on the patient row. From the dropdown list choose Request Event. Then choose the appropriate event from the second dropdown list.

TRA1,.	*NOTOUCH, PCHEDNT 58y F	Hyperglycemia	IView	
TRA2,.	Available		Orders MAR Results Review	
CCS1,.	*PCHED, PCHED1LP 58y F	Hyperglycemia	Assessments Documents	
CCS2,.	Available		Hand Off Triage Summary ED Triage Reassessment	
CCS3,.	Assigned		ED Documentation Vital Signs	
CCS4,.	Assigned		Activities of Daily Living Request Event Start Event	1 BPMH
STA1,.	Assigned		Complete Event > Set Events	Admit Orders Entered BPMH Completed
STA2,. V/A Alert	3 *NOTOUCH, PCHEDTR 58y F 🧔 🕲 🕸	Dx: Hyperglycemia 790.29	Assign/Unassign Others Patient Reports	Discharge Dr Recheck
STA3,.	* PCHED, PCHED5LP 58y F	Hyperglycemia	Discharge Process	Isolation MHCR
