

MHA Crisis Team Workflow Quick Reference Guide

Accessing Crisis Team Workflow

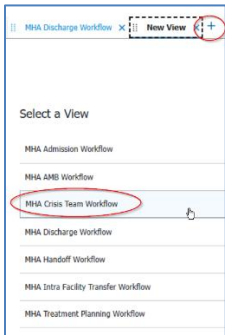

1. Access the patient's chart through either FirstNet or PowerChart.
2. Click MH&A view on blue menu

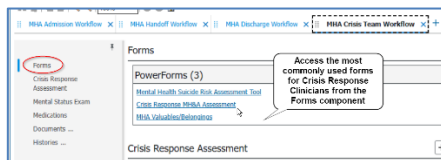

3. Select the MHA Crisis Team workflow tab.

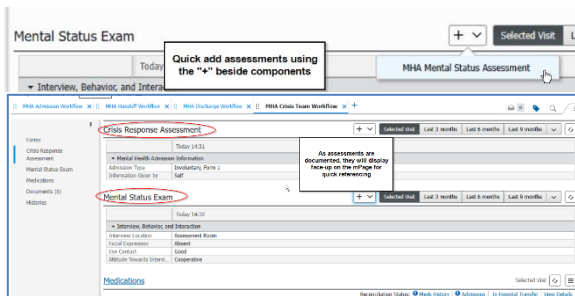

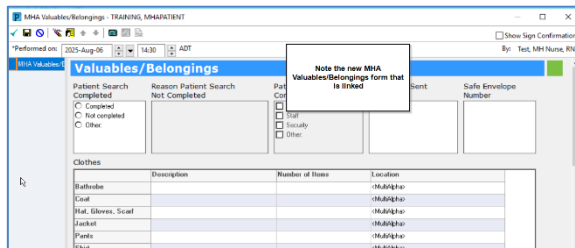

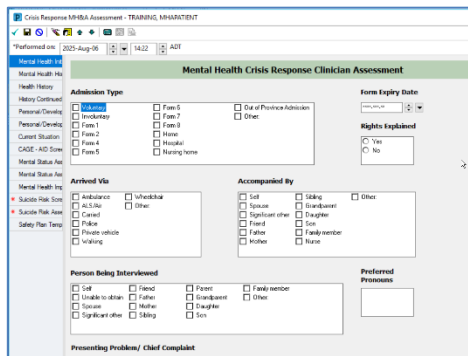

If you can't see the tab, find the "+"

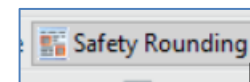

Assessments/Patient Care Workflow

The Crisis Response MH&A Assessment Powerform has been updated with several new fields and sections.

Safety Rounding
