

PowerChart/FirstNet Code Upgrade – June 2020

Stopwatch  to replace hourglass  icon

Changes to the Discharge Summary Tab/Discharge Readiness Dashboard on toolbar

The Discharge Readiness dashboard will be removed from the Discharge Summary mPage and will be replaced by the **Discharge Process Icon**.

Currently, the Inpatient Discharge Guide is available by clicking the **Review and Sign** button within the Discharge Readiness checklist.

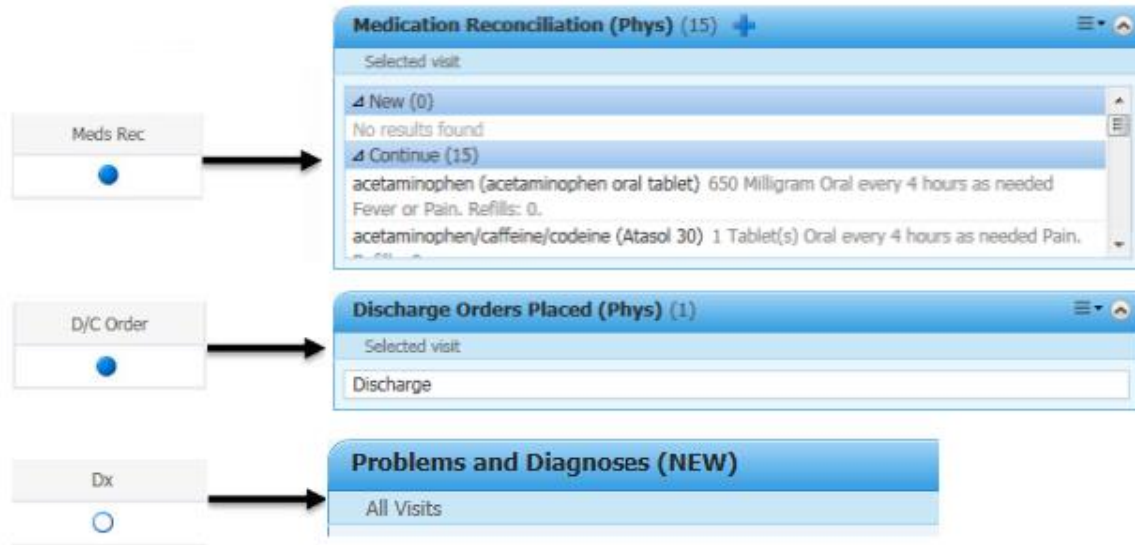

LOS	Estimated D/C Date	Patient Education	Dix	D/C Order	Discharge Documents	Meds Rec
452:15:44	09/20/2020					

These documents will now be accessed by selecting the **Discharge Process Icon** found on the Discharge Summary mPage. The Depart Process window will open and you can Save and Print the patient's discharge documents.

The information displayed in the Discharge Readiness checklist can still be found by viewing the individual components.

Current View

Diagnosis Component Retired and Replaced with Consolidated Problems (Problems and Diagnoses)

New Layout

The Dashboard  located on the toolbar, will no longer post the Estimated Discharge Date nor the Diagnosis column.

QEH ED ONLY- Addition of Co-sign (endorse) Icon for PNED

There is a new icon that populates to the PN column in FirstNet when a student/resident requests endorsement in PNED.

A yellow clipboard will populate beside the existing pownote icon after endorsement is requested.
