

## Visitor Risk Assessment: COVID-19 Initial Screening Questions

Updated September 28, 2021

		CIRCLE ONE	
1.	Do you have any symptoms of COVID-19?	Yes	No
2.	Have you had close contact (face-to-face contact within 2 metres (6 feet) with someone who has COVID-19 symptoms?	Yes	No
3.	Have you been in contact in the last 14 days with a person confirmed to be a case of COVID-19?	Yes	No
4.	Are you self-isolating or work isolating?	Yes	No
5.	Have you been outside of PEI for more than 48 hours?	Yes	No

**If you have answered “Yes” to any questions, you will NOT be permitted to visit.**

**If you have answered “Yes” to question 4 and it is a compassionate situation; you need to be tested with a negative result prior to being permitted to visit.**

**If you have answered “Yes” to question 5, you will need a negative test result prior to entering the facility (point of entry testing is an acceptable test) and follow additional current testing guidelines.**

**Long Term Care must follow all additional parameters outlined in the Directive on Visitation to Long-Term Care Facilities and Nursing Homes**
