- (a) The Employer recognizes that education is a continuing process. Accordingly, the Employer shall allow the Bargaining Unit or Local to sponsor education functions such as seminars, workshops, and lectures to be held on the Employer's premises, if space is available during the employee's lunch period

or following the regular work day.

(b) Development and Training Fund

The parties agree that a Joint Committee will administer the Development and Training Fund.

15.8 Technical Information

The Employer shall make available to the Bargaining Unit or Local, on request, information required by the Bargaining Unit or Local; such as: job description, positions in the bargaining unit, job classification and wage rates.

ARTICLE 16 - GRIEVANCE PROCEDURE

16.1 For the purposes of this Agreement "grievance" shall be defined as any dispute arising out of the interpretation, application, administration, or alleged violation of the Collective Agreement or any case where the Employer or employees has allegedly acted in an unjust or unfair manner.

16.2 Both parties recognize the benefit of dealing with such disputes as quickly as possible and shall make an earnest effort to settle such disputes promptly and fairly in the following manner:

The Employer shall designate a representative at each of the levels of the grievance procedure, and the Employer shall advise the Local of the same.

STEP 1 - Within ten (10) working days of the known grievance, the aggrieved employee, with a representative, shall meet with the Designated Representative at Step 1 in an attempt to resolve the dispute.

STEP 2 - Failing satisfactory settlement of the grievance in Step 1, the grievance shall be submitted, in writing, within ten (10) working days to the Designated Representative at Step 2. The grievance shall be signed by the employee and a Local Officer, unless the grievance is a policy grievance in which case a Local Officer's signature will suffice. The Designated Representative at Step 2 shall hold a meeting within ten (10) working days of receipt of the grievance. Within ten (10) working days of this meeting, the Designated Representative at Step II shall render a written decision.

STEP 3 - Failing satisfactory settlement of the grievance in Step 2, the grievance may within fifteen (15) working days of the receipt of the decision referred to in Step 2, refer the matter to:

(a) Mediation Arbitration with the process as outlined in the memorandum of

settlement in Appendix "E".

(b) to arbitration as outlined in Article 17.

- 16.3 The Employer shall not hinder or restrict the grievor or the representative in any manner which shall impede their investigation or processing of a grievance. No member of the union shall abuse such rights.
- 16.4 The Local or the Employer may institute a grievance and shall commence such procedure at Step 2.
- 16.5 Replies to grievances, stating reasons, shall be in writing at all stages.
- 16.6 The Employer shall provide the necessary facilities for all grievance meetings.
- 16.7 If either party fails to process a grievance to the next step in the grievance procedure within the time limits specified, they shall not be deemed to have prejudiced their position in arbitration.
- 16.8 No grievance shall be defeated or denied by any formal or technical objection. An arbitrator shall have the power to allow all necessary amendments to the grievance and the power to waive formal procedural irregularities in the processing of a grievance in order to determine the real matter in dispute and to render a decision which they deem just and equitable.

ARTICLE 17 - ARBITRATION

17.1 Composition of Board of Arbitration

When either party requests that a grievance be submitted to arbitration, the request shall be made by registered mail, addressed to the other party of the Agreement, indicating the name of its nominee on an arbitration board. Within ten (10) working days thereafter, the other party shall answer by registered mail indicating the name and address of its appointee to the arbitration board. The two arbitrators shall then meet to select an impartial Chairperson.

17.2 Who may be an Arbitrator

No person shall be selected as a member of an arbitration board who

- (a) is acting, or has within a period of six (6) months preceding the day of their appointment acted in the capacity of a solicitor, legal advisor, counsel, or paid agent of either of the parties; or
- (b) has any pecuniary interest in the matters referred to the board.

17.3 Failure to Appoint

If the party receiving the notice fails to appoint an arbitrator, or if the two appointees fail to agree upon a Chairperson within seven (7) working days of their appointment, the appointment shall be made by the Minister responsible for the Labour Act upon request of either party.

17.4 Board Procedure

The Board shall determine its own procedures, but shall give full opportunity to all parties to present evidence and make representations. In its attempts at justice, the Board shall, as much as possible, follow a layman's procedure and shall avoid legalistic or formal procedures. It shall hear and determine the difference or allegation and render a decision within ten (10) working days from the time the Chairperson is appointed.

17.5 Decision of the Board

The decision of the majority shall be the decision of the Board. Where there is no majority decision, the decision of the Chairperson shall be the decision of the Board. The decision of the Board of Arbitration shall be final, binding and enforceable on all parties, and may not be changed. The Board shall have the power to dispose of a grievance by any arrangement which it deems just and equitable. The Board of Arbitration shall not have the power to change this Agreement or to alter, modify or amend any of its provisions.

17.6 Disagreement on Decision

Should the parties disagree as to the meaning of the Board's decision, either party may apply to the Chairperson of the Board of Arbitration to reconvene the Board to clarify the decision, which it shall do at the convenience of the Chairperson.

17.7 Expenses of the Board

Each party shall pay:

- (a) the fees and expenses of the arbitrator it appoints;
- (b) one-half of the fees and expenses of the Chairperson.

17.8 Amending of Time Limits

The time limits fixed in both the grievance and arbitration procedure may be extended by consent of the parties. The time limits in this Article are not mandatory but merely discretionary.

17.9 Witnesses

At any stage of the Grievance or Arbitration procedure, the parties shall have the assistance of any employee(s) concerned as witnesses and any other witnesses. The Employer agrees that any written statement against any member by another member of the Bargaining Unit or Local shall not be used in grievance, arbitration, or any other matter, excepting accident matters, that could be detrimental to employees or to the union. All reasonable arrangements will be made to permit the conferring parties or the arbitrator(s) to have access to the Employer's premises to view any working conditions which may be relevant to the settlement of the grievance.

17.10 Upon mutual agreement of the parties, a single arbitrator may be used in lieu of an arbitration board. All the provisions of Article 17 shall apply.

ARTICLE 18 - DISCIPLINE

18.1 Dismissal

An employee who has completed their probationary period may be dismissed, but only for just cause. When an employee is dismissed they shall be given the reasons in the presence of their steward, union representative or designate. Such employee and the Local shall be advised by the Deputy Minister or designate in writing within seven (7) working days of the reason for the dismissal.

18.2 Suspension

An employee who is suspended shall be given the reasons in the presence of their steward, representative or designate. Such employee and the Local shall be advised by the Employer in writing within seven (7) working days of the reason for the suspension.

18.3 Unjust Suspension or Dismissal

When an employee has been unjustly suspended or dismissed, they shall be immediately reinstated in their former position without loss of seniority. They shall be compensated for all time lost in an amount equal to their normal earnings during the pay period next preceding such dismissal or suspension, or by any other arrangement as to compensation which is just and equitable in the opinion of the parties or in the opinion of the Board of Arbitration, if the matter is referred to such a Board. Any monies earned by an employee during a period of suspension or dismissal shall not be deducted from any award made under this Article.

18.4 Oral or Written Reprimand

Whenever the Employer deems it necessary to censure an employee with an oral or written reprimand, the Employer shall, within ten (10) working days thereafter, give written particulars to the employee in the presence of their steward, union representative or designate, with a copy to the Secretary of the Local. If this procedure is not followed, such expression of dissatisfaction shall not become part of their work record or used against them at any time. The employee's reply to such reprimand shall become part of the record.

- 18.5 (a) The disciplinary record of an employee shall not be used against the employee at any time after eighteen (18) months following a serving of a suspension or disciplinary action provided no further discipline has been recorded during that time.
- (b) Upon the employee's request, any disciplinary letter which may have been placed on the employee's personnel file shall be removed after eighteen (18) months have elapsed since the disciplinary action was taken, provided no further disciplinary action has been recorded during this time.
- (c) Unpaid leaves taken during the eighteen (18) month period described in Article 18.5 (a) shall be excluded from the calculation of the eighteen (18) month period described in Article 18.5 (a).

18.6 May Omit Grievance Steps

An employee considered by the Local to be wrongfully or unjustly discharged or suspended shall be entitled to a hearing under Article 16, Grievance Procedure. Step 1 of the Grievance Procedure shall be omitted in such cases.

- 18.7 Absence from work for more than three (3) consecutive working days without the consent of the Deputy Minister or designate shall be grounds for dismissal. Under exceptional circumstances the employee will be relieved of the obligation to receive consent from the Deputy Minister or designate. The Employer shall immediately notify the employee in writing, by mailing a letter to the employee's last known address, with a copy forwarded to the President of the Local, of the fact that they are being dismissed under this article.
- 18.8 When an employee is requested to meet with the supervisor on a matter that will probably lead to discipline of that employee, the supervisor will inform the employee of the right to have a union representative present.

ARTICLE 19 - SENIORITY

- 19.1 The Employer shall maintain an up-to-date seniority list for each of the four (4) Locals showing the site, department and last date of hire in a permanent or permanent part-time position in that Local for each employee. Updated seniority

lists shall be sent to each Local and posted on all bulletin boards before January 31st of each year. Seniority shall not include overtime or callback and shall not exceed nineteen hundred fifty (1950) hours annually in any one Local. For clarity, should an employee hold a permanent part-time position in more than one Local and apply for a posting which has been posted provincially under Article 20.1 (c), that employee shall not be entitled to calculate more than 1950 hours of seniority for any one year of service to use in the posting process and further, shall not be entitled to take permanent or permanent part-time seniority from one Local to another Local.

19.2 Seniority of the Permanent Part-Time Employee

Seniority of the permanent part-time employee shall be calculated on a pro-rated basis from the date of hiring.

19.3 Loss of Seniority

Seniority rights shall be retained and accumulated when an employee is absent from work because of sickness, accident, or paid leave of absence and when on maternity leave, adoption leave, parental leave or birth leave. An employee shall lose their seniority in the event:

- (ii) Upon completion of the temporary position and return to the Bargaining Unit, the employee shall be placed in the position previously vacated. If that position no longer exists, then the employee shall be placed in a position consistent with their Local seniority and qualifications.

No external applicants may be considered until the applications of internal applicants have been fully processed. Internal applicants** shall be processed in the following order:
 - (i) Permanent employees from the other Locals;
 - (ii) Casual employees from other Locals.

****An exception is made regarding Local 805 - members from Souris Hospital and Colville Manor shall be considered separate and eligible for vacancies in the Souris area. Similarly, vacancies located in the Souris area shall be posted open to members of 805 who are permanent employees of Souris Hospital and Colville Manor.**

The Employer shall provide the Local with the name of the successful candidate within two weeks of the date the successful candidate accepts their offer of employment.

20.2 Information on Postings

Such notice shall contain the following information:

Nature of position, qualifications, required knowledge and education, skills, hours per week, shift and salary rate or range and home site within which the position will be filled. Such qualifications shall not be established in an arbitrary or discriminatory manner. All job postings shall state "This position is open to applicants regardless of gender expression or gender identity". It is the intent of the parties that casual employees will be given preference over outside applicants.

- 20.3 (a) Within seven (7) working days of the date of appointment to a vacant or newly created position, the name of the successful applicant shall be posted on the bulletin board for a minimum of seven (7) working days.
- (b) Within ten (10) working days of the date of the appointment the Employer will notify the successful candidate for the posting of the start date of the posted position.

20.4 Role of Seniority in Promotions and Transfers Both parties recognize:

- (a) the principle of promotion within the service of the Employer;

- (b) that job opportunity should increase in proportion to length of service as laid out below;

Therefore, in making staff changes, transfers, or promotions, appointment shall be made of the applicant with the greatest Local seniority and having the required qualifications for postings under Article 20.1(b). For provincial postings under Article 20.1(c) appointment shall be made of the applicant with the greatest Bargaining Unit wide seniority and having the required qualifications. The required qualifications must be relevant to the position. Appointments from within the Bargaining Unit shall be made within three (3) weeks of posting.

- 20.5** (a) Where a vacancy exists for a permanent or permanent part-time position within the scope of the IUOE bargaining unit and where there are no applications from qualified employees within that bargaining unit, then preference shall be given to qualified permanent or permanent part-time employees from the CUPE Locals over applications from outside the Employer.
- (b) Where a conflict exists between 20.5(a) and the IUOE Collective Agreement, the latter shall prevail.

20.6 Trial Period

The successful applicant shall be placed on trial in the new position for a period of three hundred and twenty-five and one-half (325.5) hours worked in the position. This trial period may be extended or shortened by written agreement of the Employer and the Local. For the purpose of the trial period, hours worked in the position shall not include hours spent as orientation to a maximum of 22.5 hours. Conditional on satisfactory service, the employee shall be declared permanent after completion of the trial period. In the event the successful applicant proves unsatisfactory in the position during the trial period, or if the employee is unable to perform the duties of the new position, they shall be returned to their former position, wage or salary rate and without loss of seniority. Any other employee promoted or transferred because of the rearrangement of position shall also be returned to their former position, wage or salary rate, without loss of seniority.

- 20.7** If a position becomes available, a permanent part-time employee who wishes to work full-time will be given preference over a new applicant where the permanent part-time employee has the qualifications and ability to perform the duties of the position.

20.8 Promotions Requiring Higher Qualifications

Consideration for promotion will be given to the senior applicant who does not

possess the required qualifications but is preparing for qualifications prior to filling a vacancy. Such employee will be appointed to the position, but will not commence the position, until such time as they have obtained the required qualifications, on the basis that such qualification can be obtained within six months of the date of appointment. The employee will revert to their former position if the required qualifications are not met within such time and the position will be re-posted.

20.9 Pay During Up-Grading

When an employee is required or requested to up-grade themselves through an Employer approved training course and such request comes from the Employer, such employee will suffer no loss of remuneration or benefits while on such training course.

- 21.4** An employee laid off in one classification will be given the opportunity of displacing (bumping) an employee with less seniority in the same or lower paid classification within the Local provided the senior employee is qualified to do the work.

- 21.5** When an employee bumps into a position with the lower maximum rate of pay, the

employee shall continue to receive pay at their rate of pay in effect at the time until such time as the maximum rate of pay for their new position exceeds their rate of pay in effect at the time of the bumping.

- 21.6 (a) Recall rights shall exist for a period of eighteen (18) consecutive months and shall lapse if the layoff lasts more than eighteen (18) consecutive months. Notwithstanding Article 19.3 (e), should an employee on layoff be recalled for a period of time less than thirty (30) calendar days, the employee shall not be required to return to work. If the employee does return to work, the hours worked shall be counted towards their seniority.

- (b) Employees who are recalled for temporary periods of work shall not require a notice of layoff when the recall is for a specific period and the layoff date is predetermined and announced at the time of the recall.

Employees who are recalled for temporary periods of work and are subsequently laid off shall have their recall rights renewed for a period of eighteen (18) consecutive months.

- (c) An Employee who is medically laid off as a result of illness or injury pursuant to article 26.14 shall be eligible to have their name placed on the recall list for a period of eighteen (18) months from the date the Employee indicates they are capable of returning to work. Notwithstanding Article 20, this vacant position shall not be posted.

- 21.8 Employees who are on the recall list are entitled to apply for any job vacancies arising out of job postings.

- 21.9 No new employees shall be hired until all laid off employees have been given the opportunity to return to work.

If the employee does not receive at least twenty-four (24) hours' notice in advance, the employee shall be compensated for all hours worked they would normally have had off, at the overtime rate. If a change in the schedule results in the employee working the day(s) they had scheduled off, the employee may have their day(s) off rescheduled at an alternate date. There shall be no pyramiding of overtime as a result of the application of this Article. Further, the Employer will ensure an up-to-date schedule will be available in the department at all times.
- 22.5 Rotations from one shift to another shall be divided equally among the available employees during the term of this Agreement. Such rotations will not apply to employees hired for permanent evening or night shifts or to those who by mutual agreement between the Employer and the employee, are assigned to work evening or night shifts. Employees will not be required to rotate to more than two (2) shifts in any given week. - 22.14 Attendance at educational workshops, training courses, professional meetings, for a period of not less than six (6) hours shall be considered a full working day, or a complete shift or, if upon the completion of the workshop, training course or professional meeting, there remains 1.5 hours or less of your shift to be worked, the employee shall not be expected to return to their duties for the remainder of that shift.
- 22.15 Notwithstanding the hours of work as outlined in this Article, alternate schedules for a particular work unit may be adopted by mutual consent between the Employer and the Local, provided the total hours of work are not changed and provided the mutual agreement must be revisited upon the expiry of this Collective Agreement and the parties must provide their consent to have the alternate arrangement(s) continued.

Such additional work shall be distributed as equitably as possible among available part-time employees either on a work unit or departmental basis, depending on operational needs and local practices. Permanent part-time employees who are scheduled less than forty-eight (48) hours in advance are not entitled to use their sick leave credits for those shifts.

- (b) This Article shall not apply to those shifts which the Employer is unable to schedule at least twenty-four (24) hours in advance.
- (c) Upon a written request (or upon first notification) for any leave from an employee, the Employer shall date the receipt of the request/notification, and if it is necessary to fill the shift, the Employer shall proceed to fill the shift without delay.
- (d) Employees who are offered shifts shall indicate whether or not the shift will place the employee in an overtime situation. If such an indication is made, the Employer will offer the shift to another employee or authorize the overtime.
- (e) A written request under Article 22.18 (a) is valid for one (1) year from the date of the receipt of the request/notification. Time worked on holidays, vacation or scheduled days off shall also constitute overtime to be compensated at the overtime rate. Overtime shall not be granted unless it is authorized by the Employer or someone authorized to act on their behalf. Overtime shall be compensated for at the applicable overtime rate. Upon written request, the employee shall be permitted to carry forward up to a maximum of twenty-two and one-half (22.5) hours overtime. - i. A committee of five people consisting of two (2) representatives of the Employer, a union representative, a Local Steward and an employee representative of the affected work unit(s) chosen by the employees, shall co-ordinate a twelve (12) hour shift rotation implementation plan. If the Employer and seventy-five percent (75%) of the employees in one or more units at a workplace mutually agree to implement a twelve (12) hour shift rotation, then a twelve (12) hour shift shall be implemented in the work unit(s).
- ii. For clarity to determine whether or not seventy-five percent (75%) of the employees agree to implement a twelve (12) hour shift rotation, there shall be a secret ballot vote of the employees in the work unit(s). Both the Local and Employer shall be entitled to have a scrutineer participate in the ballot counting.
- iii. At the end of the first six (6) months of the twelve (12) hour shift rotation, the Employer, and seventy-five percent (75%) of the employees in the work unit(s), as determined by secret ballot conducted in accordance with paragraph ii) hereof, must agree to continue the twelve-hour shift rotation. If the twelve (12) hour shift rotation is continued, the Employer, a union representative, a Steward and an employee representative working the shift rotation, shall meet to review the operation of the twelve (12) hour shift rotation and discuss any changes to the shift rotation that either party wishes to see implemented.
- iv. These provisions shall remain in effect throughout the term of the Collective Agreement during which the vote in paragraph (iii) above is held unless one party gives sixty (60) calendar days' notice to the other party of intent to terminate these provisions. After sixty (60) days' notice, these provisions will become null and void. APPENDIX "H" MEMORANDUM OF AGREEMENT – LINE SHARING

The conditions for line sharing are as follows:

1. Line sharing will be used to allow full-time permanent employees the opportunity to temporarily reduce their hours of work.
2. Employees entering a line sharing arrangement shall be required to sign the Line Sharing Agreement. All Line Sharing Agreements shall also be signed off by the Local.
3. It is recognized that it is the Employer's right to approve employees for line sharing. The Local shall be advised in writing of any requests which have been denied.
4. The Employer, Local or an employee involved in the Line Sharing Agreement may at any time give one (1) months' notice of a desire to terminate the arrangement. In the event that one or both of the employees in a line sharing agreement change their position or terminate employment, this agreement shall be cancelled, and the remaining employee shall revert to their original hours of work.
5. A single line sharing arrangement shall involve only two (2) employees both of whom must be in permanent positions in the same classification.
6. Line Sharing shall be approved for periods of up to twenty-four months. Each line sharing agreement shall be reviewed and evaluated at the end of the approved period and may be extended provided that such extension does not prevent other permanent full-time employees wishing to enter into a line sharing arrangement from doing so. Under no circumstances will a line sharing agreement be longer than a cumulative total of twenty-four (24) months.
7. Full-time employees who enter into line sharing arrangements as an alternative to permanent part-time employment will be encouraged to apply for part-time positions as they become available. It is understood that a full-time employee who enters into a line sharing arrangement shall not have the right to pick up extra shifts pursuant to Article 22.18 during the life of their line sharing arrangement. However, a part-time employee accepting a line sharing arrangement will continue to have the right to pick up shifts pursuant to Article 22.18.
8. It shall be the responsibility of an employee who wishes to reduce hours of work to secure a willing partner who wishes to increase hours of work and whose work schedule and qualifications are compatible.

Once the request for a temporary line sharing agreement is approved by the Employer, the temporary line share agreement shall be filled like any other Temporary position in the Local. The process laid out in Article 56 – Temporary Replacements, for filling temporary positions, will be followed.

APPENDIX "H" MEMORANDUM OF AGREEMENT – LINE SHARING (Cont'd)

Once a line share opportunity reaches the posting process under Article 56 it shall be posted as a "Temporary Line Share Opportunity."

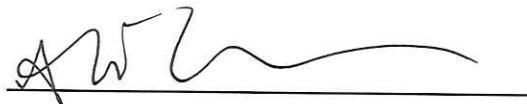

For clarity, a temporary line share agreement will be offered to the successful permanent part-time employee in addition to their own work guarantee, rather than in place of it as in the case of other temporary postings. Subject to the conditions of this line share agreement, all obligations and restrictions for "Temporary" positions will apply to a "Temporary Line Share" position.

9. A full-time permanent employee who reduces their hours shall be considered, for purposes of group insurance benefits, to be temporarily occupying a part-time position and the levels of their group insurance coverage will not be reduced, unless otherwise required by the individual benefit plan (i.e. LTD). Seniority, vacation leave, sick leave, and statutory holiday leave entitlements will be based on actual paid hours.
10. Full time employees may reduce their hours of work through participation in a line sharing arrangement. No employee shall reduce their hours below 50% of full time.
11. Where a participating line sharing employee and the Employer contribute to the employee's pension benefit as though the employee had not reduced their hours of work, such contributions are limited to a lifetime period of not more than twenty-four (24) months.

This memorandum shall be in effect until March 31, 2026.

**MEMORANDUM OF UNDERTAKING RE:
CHANGES TO THE MASTER SCHEDULE DUE TO OPERATIONAL CHANGES OF A GROUP OF
EMPLOYEES WITHIN A CLASSIFICATION**

This process does not apply to:

1. Changes in schedules that are governed by other provisions of the Agreement, like the 12 hour shifts in Schedule B or Technological Change in Article 59.
2. Shift schedule changes as provided in Article 22.4.
3. Alternate Schedules Agreed Upon pursuant to Article 22. 15.
4. Changes to hours or work that do not result in a change in the shifts worked as defined in the Collective Agreement (i.e. may change the hours within an existing shift)
5. Situations where the Employer adds to or reduces the number of employees working provided the changes in employee numbers do not result in changes to the schedules of other employees.

This process is to be used in situations where the Employer is making changes to the Master Schedule of a Department or work unit of a group of employees within a classification where the Master Schedule changes affect the shifts people work (not just the hours of work within existing shifts)

In this case, the parties agree to the following process:

1. The Employer shall provide the affected employees and the Union with as much notice as reasonably possible, but in any event, not less than three months notice, of the changes being implemented. At the time notice is given a draft master schedule shall be provided for review.
2. During the three month period the Union and the Employee shall consult with one another on the proposed schedule. Within two weeks of being provided the draft schedule in 1 above, affected employees shall be able to provide the Employer and the Union with their input on the proposed schedule.
3. The Employer shall provide the Union and affected employees with the final master schedule not less than one month prior to the implementation date. In order of seniority and based on existing FTE's of employees, employees shall select which option on the new Master Schedule they will be matched to.

By way of example:

FTE	Seniority Rank	Match based on seniority and FTE	Matched (M) or Temporarily Matched TM	Temporarily Matching FTE Deficit
80%	1	80%	M	
100%	2	100%	M	

100%	3	100%	M	
100%	4	100%	M	
100%	5	100%	M	
100%	6	80%	TM	-20%
50%	7	50%	M	
80%	8	70%	TM	-10%
70%	9	50%	TM	-20%
40%	10	40%	M	

4. Where an employee is not able to be matched in 3 above to an FTE equal to their own that employee shall be temporarily matched to the FTE which is the closest to but lower than their own FTE.
5. For these employees who have been temporarily matched into lower FTE than their own in 4 above, the Employer will provide that employee with the opportunity to work shifts within the Department to bring them up to their FTE for a three month period beginning on the date the schedule changes are implemented. If an employee is not temporarily matched to an FTE within the Department, for the three month period the Employer shall provide the employee with shifts within the bargaining unit up to the FTE. The shifts offered shall be in accordance with Article 22 of the Collective Agreement.
6. During the three month period, employees who have been temporarily matched shall have preference for placement placing in positions that are newly vacant or newly created by the Employer, at their existing FTE or lower, and in their classification or a lower classification, provided they are qualified for the position.
7. During the three month period, an employee who has been temporarily matched in 3 above, may choose to remain in their temporarily matched position, at which time their preference shall be at an end.
8. If an employee temporarily matched moves to a position outside the Department or unit, as applicable, on the basis of seniority, other temporarily matched employees can choose to be matched to that position, provided it is not at higher FTE than their own. Otherwise, the position vacated by the temporarily matched employee shall be posted in accordance with the Collective Agreement.
9. At the end of the three month period any temporarily matched employee may opt to be matched to the lower FTE they have been working in, or be laid off and exercise their rights under Article 21 of the Collective Agreement. At the end of the three month period the Employer shall not provide any top up to an employee working in an FTE lower than their own FTE.

RE: INCENTIVIZING CUPE MEMBERS TO WORK AND MAINTAIN A 1.0 FULL-TIME EQUIVARIANT (FTE) POSITION

WHEREAS Health PEI and CUPE recognize the value in increasing the number of staff who hold 1.0 FTE positions within Health PEI, as compared to those who hold part-time positions totaling less than a 1.0 FTE, to assist with alleviating ongoing staffing issues within Health PEI

AND WHEREAS the parties have agreed to implement a trial for the period that shall become effective from the first full pay period following the signing of the Collective Agreement (the "Collective Agreement") and expiring on March 31, 2026 (the "Trial Period"), where CUPE Members who work a 1.0 FTE will be paid a maximum of premium of \$80.25 bi-weekly (\$1.07/hour worked), on the terms set out in this Memorandum of Agreement ("Memorandum");

NOW THEREFORE the parties have agreed to the following terms which are to govern the Trial Period:

1. The Trial Period shall be for the following period: beginning from the first full pay period following the signing of the Collective Agreement and automatically expiring on March 31, 2026 (the "Trial Period"). No premium payments will be made for work outside the Trial Period.

A CUPE member must hold their 1.0 FTE for an entire two week pay period to be eligible for the Premium.
3. The 1.0 FTE can be made up of a single 1.0 FTE position or a combination of more than one part-time position, which together total a 1.0 FTE.
4. Extra shifts picked up by a CUPE member are not considered as part of the CUPE member's 1.0 FTE.
