As a new employee to our organization, you are joining a team of more than 6,000 people who are dedicated to achieving our vision of a one Island health system that supports improved health for all Islanders.

Our priorities as a health care system are all about providing the best care possible. Providing quality, safe services; access and coordination; and innovation and efficiency are paramount in the delivery of health care services and form the foundation of all our work in Health PEI. I encourage you to make these priorities your commitments as well.

Please visit our Health PEI website (healthpei.ca) and the staff resource centre (<https://src.healthpei.ca/>) to review our strategic plan, annual business plan and learn more about our organization.

Congratulations on joining our team. We will do our best to ensure your experience with Health PEI will be rewarding.
