How to access Midwifery Services?

Clients can self-refer through

1) The HPEI website

    Click on the Access Health Services

    Scroll to Midwifery Services fill out the [Request for Care](#) form.

2) Or by calling the clinic (902) 288-1482.

Health care providers can

1) Follow the same steps on online
2) Refer directly through CIS/CHR
3) Or simply call the clinic at (902) 288-1482.

Midwives assess all potential clients to determine eligibility for midwifery care
