SAFETY TALK

Cultural Diversity Day

May 21st is the International Day for Cultural Diversity. We would like to celebrate all Health PEI employees that come from a different cultural background, and chose to be here, working for what brings us together: the health and wellness of everyone in our province.

Did you know?

- In 2021, 11.4% of PEI’s population consisted of immigrants. In the fourth quarter of 2023, the province had the highest quarterly immigration rate in Canada.
- About 6% of PEI’s population speak a language other than French or English at home, the most spoken being: Mandarin, Punjabi, Tagalog, and Vietnamese.

How to celebrate Cultural Diversity Day

- ⇒ **Learn** a new word or something different about another culture.
- ⇒ **Attend** a cultural diverse event.
- ⇒ **Watch** a foreign movie.
- ⇒ **Support** organizations that help newcomers and immigrants.

Cultural Diversity promotes education and creativity in the workplace, and enhances our capacity to support people in our community.

Shall our similarities unite us and our differences be an opportunity to learn.
