

# SAFETY TALK

## Safety and Health Week

**Safety and Health Week** is an ideal time for employers, employees, partners, and the public to focus on the importance of preventing injury and illness in the workplace, at home, and in the community.

This year to celebrate during the Safety and Health Week running **May 5-9**, the Occupational Health, Safety & Wellness Department has some exciting activities planned with daily contest involving

- Violence Prevention Champion Nomination
- Violence Prevention Posters
- Violence Prevention Trivia
- What would you do challenge
- What do you do for wellness

**Look out for opportunities to win some exciting prizes!**

### The Safety and Health Week Logo

Three colours forming an equilateral triangle symbolizes joint venture, cooperation and the commitment to the common goals shared by all occupational health and safety partners. The three sides stand for partnership in this joint occupational health and safety venture, as well as all partnerships between business, labour and governments. The connected colours illustrate assistance and cooperation on many levels – from interpersonal relationships in the workplace to international exchange.
