

## PEI Pharmacare Memorandum

**To: Community pharmacies with McKesson Influenza Vaccine Distribution**

Date : September 16, 2024

**Subject: McKesson Distribution Strategy For Publicly Funded Influenza Vaccine**

Similar to last year, the initial influenza distribution from McKesson to community pharmacies will occur using a “push” strategy. Community pharmacies can receive their initial influenza supply automatically (ie “pushed”) from McKesson without the requirement of submitting an order. Subsequent orders will be available via the standard ordering process.

Community pharmacies who wish to receive this “push” order, please complete the table below and fax to PEI Pharmacare **by September 19, 2024**. Orders received after September 19, 2024 will not be accepted.
