

## PEI Pharmacare Memorandum

**To: Shoppers Drug Mart, Superstore, Matrix Distribution and Pharmacist Association**

Date : March 2, 2022

**Subject: Updated Ordering and Distribution of Publicly Funded Shingrix Vaccine for Community Pharmacies.**

----- UPDATE -----

**Prince Edward Island Shingrix vaccine will be available for order from Pharmacare Procurement for ONE more week:**

- Orders must be submitted via the attached order form and faxed directly to PEI Pharmacare.
- Delivery will occur once per week as outlined on the order form.
- Weekly vaccine quantities should be order in multiplies of 10 doses up to a maximum of 40 doses per store per week.
- Pharmacies should only order the anticipated stock required until their next delivery.

**After next week's distribution, Prince Edward Island Shingrix vaccine will be available for order from Matrix Distribution:**

- Delivery will be as per wholesaler contract with pharmacy (e.g. 5 days a week, next business day).
- Matrix Distribution will follow-up regarding ordering details
- It is your responsibility to ensure you are ordering the correct vaccine from your wholesaler.
- **Orders will be limited to 50 doses per day of Shingrix**
- Please order only what is anticipated to meet your immediate needs. Next day delivery should allow pharmacies to keep on hand stock to a minimum.
- Pharmacies should not submit backorders or multiple same day orders.
- Shoppers Drug Mart and Loblaws will only have access to Shingrix vaccines through Matrix Distribution.
