WHAT DOES HOSPICE OFFER?

Care Recipients, Family & Caregiver Support

Emotional support, respite care, and guidance during difficult times.

Volunteer-Led Services

All hospices rely on dedicated volunteers to deliver care and companionship.

Accessible Services

Available in homes, hospitals, long-term care facilities, and palliative care units.

Compassionate End-of-Life Support

Trained volunteers provide comfort, presence, and dignity to individuals nearing end of life.

Bereavement Services

Follow-up visits, grief groups, and memorial events to help families navigate loss.

Community Education & Awareness

Outreach and education to promote understanding of palliative and hospice care.
