

Removable Slider Sheets Unraveling Technique

- 1** Lay the 2 maxi slide sheets out. Black borders facing out.

- 2** Roll the maxi slide sheets into 1-foot folds.

- 3** Position the rolled packet under the client's head. Folds down.

- 4** Grip folds with palms up grip. Stabilize first unraveled section with other hand.

- 5** Unravel one section at a time using safe body mechanics.

- 6** Continue unraveling until fully unraveled.
