New Appointment Tag

Cancelled by Patient

The screenshot displays a patient record interface. On the left, a vertical list of appointment times (9:00AM, 10:00AM, 11:00AM, 12:00PM, 1:00PM, 2:00PM) is shown. The top appointment at 9:00AM is highlighted in blue and labeled 'CANCELLED'. The patient information on the right includes: 'Female | Jun 04, 1958 (67 yr)', 'Update patient info', 'Encounter', 'Child Health Clinic', and '2-12 Months Assessment PHN'. The 'STATUS' is 'Cancelled'. The 'TAGS' section contains various tags: 'Booking Package Complete', 'CX List', 'Expired Health Card', 'Home Records', 'International Student', 'Letter Sent', 'Medication List Updated', 'No Chart', 'Out of Province', 'Cancelled by Patient' (highlighted in blue), 'Reminder Call', 'See Admin Note', 'Staff', 'Sensor Readings Uploaded', 'Needs Translator', 'Vitals Collected', 'WCB', 'Needs Work Note', and 'Urine Dip'.
