PEI Provincial EMR Notification for all Users

January 12, 2026

Preventive Care Dashboard Update

The **Preventive Care Dashboard** in Analytics has been updated to align with current provincial recommendations and improve usability. Key changes include:

- **FIT Testing:** Age range updated to **45–74 years** to match provincial guidelines.
- **Mammogram:** Streamlined from two separate tables into **one consolidated table** for patients aged **40–74 years**.
- **Bone Mineral Density:** Information is now included and returned in the dashboard.
- **Pneumococcal Vaccines:** **PneumoVax 13 and 23** have been replaced with **Pneumo 15 and 20**, pulling data from the **Injections section** of the patient chart.

Reminder: PAP, Mammo, FIT preventive care testing fields are updated on the first Monday of the month

Reminder - Provincial EMR Monthly Session (Updates, Tips and Tricks) Thursday, January 15, 2026 at 3 p.m.

Provincial EMR Helpful Hints and Updates Sessions

We're excited to offer monthly sessions designed to provide helpful hints and important updates on the Provincial Electronic Medical Record (EMR) system.

Our next session will be held on:

Topic: Updates, Tips and Tricks

Date: *January 15, 2026*

Time: *3:00 p.m.*

You can join the virtual session using the Teams link provided here: [Prov EMR Monthly Sessions \(Tips, tricks and updates\) | Meeting-Join | Microsoft Teams](#)

Stay tuned for upcoming notices about our February session on the third Thursday of the month at 3 p.m.!

If you have any questions or concerns, please don't hesitate to contact EMR Support at emrsupport@gov.pe.ca
