Important Notice - Use of Email within EMR

Please be advised that **email communication from within the EMR system is not secure** and should not be used to send patient information. To ensure the privacy and security of patient data, we ask that all communications be sent through the **patient portal**. You can achieve this by going to **Start/Open, Message Patient**.

If you have received an inbox message in error you can mark it as done, but don't open it.

New Cover Page Template for Provider's

The PEI EMR Team have created a cover page specifically for Providers to auto populate their own phone/fax numbers into the cover page. This was created for staff that work in multi-provider and multi-phone/fax number clinics.
