QEH

Good evening, Everyone,

The QEH wireless migration has been completed successfully, wireless networks are now available, and clients are connecting. The migration itself took approx. 30 minutes start to finish.

If there are other parties that need to be made aware of this, that are not on this email thread, please distribute this information to them.

If you have issues, please contact Service Centre at 902-620-3600.

Kind Regards,

Hanushya Tiwari
