REFERRAL LETTERS*	
Outgoing	
a. QEH Internal Medicine Clinic Referral	b. QEH Cardiac Care Provider Referral (or it could be sent to Dr. Murnaghan as an Internal Referral)
Referral Standard Letter and Referral Short can be used for Departments that do not have a Form Template. If preferred, Forms highlighted in yellow will accept a Standard Letter Template as an alternative to the respective Form.	

*The Provincial EMR is not accountable for outdated Referral Forms/Letters created by each department. For more information about referral processes please contact the service area directly. These versions are the most current we have received as of February 19th, 2025.
Managing Referrals in the Prov EMR: <https://src.healthpei.ca/emr>

This list excludes Referral Forms exclusive to specific areas, such as the Insight Program, Lennox Island Referral Forms, and others that are location specific.

Areas using Centralized Referrals
