## eHealth Newsletter: Spring 2026

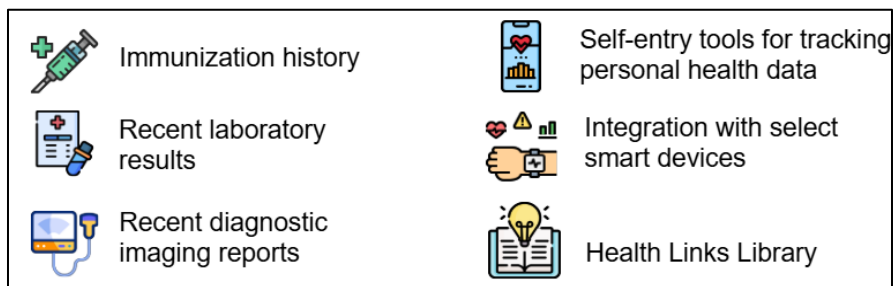

### MyHealthPEI

#### **What is MyHealthPEI?**

MyHealthPEI is a new, easy-to-use online service that provides Island residents (16+) with convenient and secure access to components of their personal health information.

#### **What information is currently available in MyHealthPEI?**

The below personal health information, health tools and resources are currently available in MyHealthPEI, allowing Island residents a new, convenient pathway for accessing parts of their health information, whenever and wherever they need it.

In the coming months, watch out for additional information and features, including:

#### **How can you access MyHealthPEI?**

To get started with MyHealthPEI, follow the steps below:

1. **Create a MyPEI Account:** <https://account.princeedwardisland.ca/>
  - My PEI Account is a secure single sign in service that provides Island residents with access to multiple government services, including MyHealthPEI.
2. **Verify your identity:**

## eHealth Newsletter: Spring 2026

- You can verify your My PEI account **online** or **in-person** at Access PEI.
- You will need:
  - i. An active PEI driver's license or voluntary ID; and
  - ii. One more piece of ID (such as a Passport, Birth certificate, Canadian Citizenship card)

### 3. Join MyHealthPEI:

- Simply [add your health card information](#) to your verified My PEI account and you're in!  
<https://www.princeedwardisland.ca/en/information/finance/instructions-for-accessing-myhealthpei>

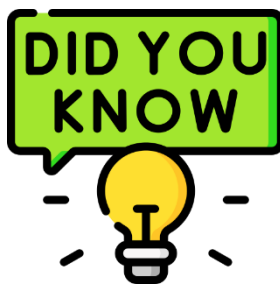

### 4. Get started and learn more:

- To begin the sign-up process, please visit [PrinceEdwardIsland.ca/MyPEIAccount](https://www.princeedwardisland.ca/MyPEIAccount).
- On this webpage, you will find links to videos, FAQs, how-to guides, and support resources to help you get started.

## Who can I contact for support with setting up or using MyHealthPEI?

There are several resources available to you through the [MyHealthPEI](#) site.  
<https://www.princeedwardisland.ca/en/topic/myhealthpei>

- For questions about using MyHealthPEI, please see the [FAQs](#) and [how-to guides](#).
- For technical support or non-medical questions about MyHealthPEI, please visit the [Support and Resources page](#) for how to reach our support team.

MyHealthPEI also has a portal for community care providers called the **MyHealthPEI Health Care Provider Portal**. This portal is currently available to [Island community pharmacists](#) with the intent of expanding to other community provider groups in the future.

To learn more, please visit <https://src.healthpei.ca/myhealthpei>
