

## Our Comfort Promise

### Ask

**(ASK)**  
We will ask you what you know about a procedure. You can ask us questions as well.

### Plan

**(PLAN)**  
We will work with you and consider options such as medicine, numbing and positions of comfort.

### Share

**(SHARE)**  
We will share information about what we will be doing, simply and honestly.

### Do

**(DO)**  
We will follow the agreed upon plan and ensure you feel heard as comfort measures can be modified as needed.

*"The relief of pain is a human right."*
