

Assigning to Individual Patient

How to assign yourself to individual patient/patients:

1. In RN column – Highlight patient row
2. Select Assign Provider icon from tool bar 
3. Provider initials and a provider colour (if selected) will populate to RN column in the pt's row

Unassign self at end of Shift:

1. In RN column – Highlight patient row
2. Select Unassign Provider icon from tool bar 
3. Provider initials and provider colour is removed from RN column.
