PLANNED DOWNTIME

TUESDAY JULY 13

STARTING AT 0100

Please be advised that the Clinical Information System will be going into a planned downtime on July 13th starting at 0100 until approximately 0115 (15 minutes). This downtime is required to complete system maintenance.

During the downtime, access to patient charts will be from the 724 Downtime Computers only. Please refer to your Downtime Procedure manual to prepare for this event.

We apologize for the inconvenience this may cause and thank you in advance for your cooperation and patience.
