Modifying IV Events

Note: Only the provider who has charted the administration can modify the task.

1. Click the completed IV task to be modified, right click and select **"Modify".**

2. The charting window opens.

3. Verify the IV event selected is appropriate. The previously charted details are displayed.

4. Enter the modifications and click **"Apply"**. The modifications display in the upper portion of the window.

5. Click the green check mark ✔ on the toolbar to sign the modified result.

6. A **"(c)"** displays to the left of the modified documentation.
