

## To sign your documentation:

1. Click on the green check mark.

The screenshot shows the PACU View software interface. At the top, there is a navigation bar with a green checkmark icon highlighted by a red box and a green callout box that says "Click on 'sign' Icon". Below this, the main interface is divided into two panes. The left pane is a sidebar with a list of categories, including "Gastrointestinal" which is currently selected. The right pane shows a detailed view of the "Gastrointestinal" section, including a search bar, severity filters (Critical, High, Low), and a list of symptoms and signs. The "Gastrointestinal" section is expanded, showing a list of items with checkboxes. The "Distended" checkbox under "Emesis Description" is checked. Other items include "Abdomen Description", "Abdomen Palpation", "Abdomen Tender", "Bowel Sounds Asses...", "Bowel Sounds", "Passing Flatus", "Stooling", "Stool Color", "Stool Description", "GI Ostomy Basic Ass...", and "Type of GI Ostomy".
