2 SECURITY

Getting Started

Acceptable Use Policy applies to personal and work use

Apps managed by IT Shared Services have this icon: 🔒

### Advanced Security

Unlock the phone with your fingerprint:

- Open **Settings**
- Tap **Security**
- Tap **Pixel Imprint**
- Follow on-screen instructions

Responsible Use

- Phone to be locked if setting it down
- Ensure car is locked if leaving phone inside
- Do not share an unlocked phone with others

3 APPS
