Volume # 6

July 2015

Quality News:

Our Provincial Laboratory electronic documentation system (OMNI) is now up and running.

There is still some training to be completed and more documents to be uploaded into the system.

Laboratory staff are becoming familiarized with the system and are beginning to use it on a more routine basis as the first source of information for procedures, MSDS sheets, worksheets, etc.

Excellence in Quality Safety Award

Congratulations to the Health PEI Laboratory Medicine Quality Improvement Team on being awarded Health PEI's Board of Directors' Excellence in Quality Award. This displays the committee's strong leadership and commitment to quality improvement.
